Healthy Texas Youth Ambassador

Many fun activities are already planned for this summer!

Contact Karen Lyssy for more information

Karen.Lyssy@ag.tamu.edu

TEXAS A&M
AGRI LIFE
EXTENSION

HEALTHY TEXAS YOUTH AMBASSADORS

Become trained and recognized as
a student health and wellness
leader in your community!

WHO CAN JOIN?

Membership is open to all youth entering at least 9th grade regardless of socioeconomic level, race, color, sex, national origin or disability. Ambassadorship is a 12-month commitment, beginning June 2022 to May 2023.

WHEN IS TRAINING?

During the summer, ambassadors will attend one of the "Building Healthy Youth to Build a Healthy Texas" Summits. These Summits will lay the foundation for ambassadors to implement health, wellness, nutrition, and safety programs across the state.

WHERE WILL YOU SERVE?

Once training is complete, youth ambassadors will provide 40 hours of service to their community. Hours can be earned through peer-to-peer education, school programs, community programs, and service learning opportunities.

WHAT IS IT ALL ABOUT?

This program is designed for high school age youth who have a passion for health and wellness. Youth will be trained at the local & regional level to become youth health experts who can motivate others to make changes in their lifestyle and improve overall health. More importantly, ambassadors will assist local county extension agents with program efforts, project activities, and much more!

WHY CHOOSE US?

Become a trained student assistant to Texas A&M AgriLife Extension agents, helping to provide leadership with programs.

Become knowledgeable and skilled in the healthy lifestyles subject matter.

Learn to coordinate and present educational events that will encourage better health in your community.

Give 40 hours of service to improve the health of your community.

For more information please contact your local county extension agent or visit the website below.

Texas 4-H Poultry Ambassador

Let Emilee know if you are interested and she can get you more information!

Texas 4-H Poultry Ambassador Program

The Texas 4-H Poultry and Advocacy Ambassador Program strives to provide participants the opportunity to develop and practice advanced leadership skills related to mentoring other youth and to become advocates for the poultry industry.

Advocacy Academy

Advocacy Academy is the second phase of the Ambassador program. This program exposes 25 Ambassadors to the political process, agricultural law and lobbying, ethics of agricultural technology, agricultural policy, and communicating with consumers unfamiliar with agricultural production practices.

Want to know more?

Poultry Ambassadors

This summer, 25 Poultry Ambassadors will be selected to attend a short course held at Texas A&M. The short course will introduce students to a rigorous college-level poultry science curriculum and educational experiences.

Domestic and International Experience

Ambassadors have the opportunity to apply to attend either a Domestic or International learning experience in alternating years. These trips allow Ambassadors to see first-hand the differences in challenges, characteristics and diverse atmospheres associated with agriculture abroad and even in our own country. In June 2018, selected Ambassadors visited Uruguay and Argentina. In August 2019 and August 2021, Ambassadors visited the West Coast and East Coast to increase awareness of immense challenges these states face, such as regulations and animal rights concerns.
