I hope everyone enjoyed a Merry Christmas and a Happy New Years with family and friends. January is a busy month as producers get ready for the new season. To prepare for the upcoming season there will be programs for the Farmer, Rancher and Gardner this month. CEU's will be provided at these events for your pesticide applicator licenses. Please be sure to RSVP for these events.

## Upcoming events:

The 2020 Gulf Coast Regional Cattleman's Workshop and Trade Show to be held on January 17, 2020 at the Bay City Civic Center. This premiere event is a must on the calendar for the cattle producer on the central Texas Gulf Coast.

This event is complete with a livestock and forage symposium with 3 CEUs followed by dinner and the featured event program. This event is free. Refer to page 2.

Spring Garden Seminar will be held on January 15, 2020 at the Bauer Exhibit Building. Respected Master Gardener from Victoria County and Industry Representatives will be speak on Spring Gardening techniques. 3 CEU's for Pesticide Applicator License Holders will be available. This event is free. Refer to page 3.

Texas A & M AgriLife Extension Calhoun County will be hosting a Hands-Only CPR / Stop the Bleed Training to be provided by the Calhoun County EMS. This training will take place on January 20, 2019 at the Calhoun County Extension Office. This event is free. Refer to page 4
