

# Calhoun County Ag Talk

## Upcoming events:

October is a busy month for upcoming meetings. Instead of hunting season, I refer to it as CEU season, but honestly these are good meetings with informative information.

Inside this issue:

UAS  
(Unmanned Aerial  
Seminar) 2

Matagorda & Calhoun  
County 3  
Hay Show

South Texas  
Farm and Ranch 4  
Show

- A UAS (Unmanned Aerial System) Seminar will be held on October 7, 2019 at the Auditorium located at the Calhoun County Extension Office. The topics covered will be basic rotocopter features and platform, what to look for when purchasing a drone, uses in range and pasture, new research being conducted, crop research and commercial applications, and current state and federal regulations. (Refer to Page 2)
- The 2019 Matagorda and Calhoun County Hay Show will be held on October 21, 2019 at the Deutschburg Community Center. This event is being held to address topics associated with livestock forages. The first 30 hay samples from each county will be paid for. (Refer to page 3)
- The 2019 South Texas Farm and Ranch Show will be held from October 23-24, 2019 at the Victoria Community Center. Featured luncheon speakers are Dr. Ron Gill, Texas A & M Agrilife Extension and Mrs. Tiffany Dowell Lashmet, Texas A & M Agrilife Extension. (Refer to page 4)

The members of Texas A&M AgriLife will provide equal opportunities in programs and activities, education, and employment to all persons regardless of race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation or gender identity and will strive to achieve full and equal employment opportunity throughout Texas A&M AgriLife.

**October 21, 2019**

**Location: Deutschburg Community Center**

**Address: 4501 FM 1862 Palacios, TX 77465**

**Registration: 5:30**

**Time: 6:00 PM**

Texas A&M AgriLife Extension Service in Matagorda and Calhoun County will be hosting a multi-county Hay Show on October 21, 2019 at the Deutschburg Community Center. This event is being held to address topics associated with livestock forages. The topics to be discussed are feed labels and withdraw periods, general pasture management, and winter nutritional needs. Start collecting hay samples. The cost for a Hay Sample analysis is \$5 each. Hay samples must be collected and brought in a paper bag to keep moisture from contaminating the sample. Hay Samples must be submitted by October 7th at 5pm. The cost for this event is \$30 and a meal will be provided. **RSVP to Matagorda County (979)245-4100 or Calhoun County (361) 552-9747**
